KINGS SEEDS
The people that know about seeds
Another hectic season completed - where does the time go, but after 41 years of service I officially retired as MD on the 30th June 2018.

However I will still continue to work for two days a week as Finance Manager to ensure we have a trouble free hand-over ensuring there will be no disruption to you in any way.

My successor is Tracy Palmer who I’m sure most of you have spoken to and has been an important member of the Kings team for 12 years. She will be assisted by Andrew Tokely, our Horticultural Director, with over 35 years experience in the seed trade, so I can assure you, you are in very good hands.

Basically nothing will change as far as you are concerned, and you will continue to receive quality seed backed up by good old fashioned service and customer care.

As for me I feel blessed to have worked for such a professional, friendly company, and would just like to place on record my sincere thanks to all our customers for their loyalty and support during my 41 years with Kings, and feel sure you will offer Tracy and Andrew the same level of support as they settle in to their new roles.

If you have not received our big main catalogue please call 01376 570000 for a FREE copy. It is a one-stop shop backed up by quality, advice and service.

NEW Plugs for 2019 include artichoke, marrow, squash and swede.
Professionally grown, garden ready, plug plants delivered to your door, perfect for planting into their final position.

- **Stagger your deliveries** to suit you for **up to four months** at **no extra cost**
- **Larger 9cm pots** for many varieties including tomatoes, sweet potatoes, cucumbers, courgettes, peppers and aubergines
- One plant per plug unless indicated
- Varieties specifically chosen for **outstanding garden performance**

**Typical sizes of some of our quality plug plants**

Growing from plugs takes away a lot of the worry that some gardeners have when raising plants from seed. With our staggered deliveries, you can order with confidence that they will arrive at the perfect time for planting. Specially selected so that they are easy to grow for both beginners and the more experienced gardeners. AND remember **all the packaging is made from recycled plastic and can then be recycled**.

**Order as many plug plants you require with staggered deliveries and you only incur a one off delivery price of just £5.65**

**Some of your comments on our plug plants and, indeed, our seeds and service**

“I am very happy with my plug plants delivered yesterday. I will definitely be ordering again next year.”

“Many thanks, amazing service.”

“We always use Kings seed on our allotment and always have a good rate of success.”

“The plants were of excellent quality and the packaging the best I have ever seen.”

“Well done I will certainly obtain my plants from you again, from a very satisfied customer”

“I would recommend Kings to anybody for their quality seed and customer care.”

“The plants were really good quality and the packing was too. Plus an added bonus of cultural instructions.”

White Lady
A premier variety in every way. The long, mid-green pods with white seeds hang in numerous clusters, and are both smooth and stringless. The result is a delicious vegetable, which can be sliced or eaten whole. The pure white flowers are less prone to being picked by birds, so the resulting crop is much greater.
